11 NANETTE RANDOLPH,

12 Plaintiff(s),

13 v.

14 LINDA MCMAHON,

15 Defendant(s).

Case No.: 2:18-cv-00238-APG-NJK

ORDER

[Docket No. 35]

16 Pending before the Court is Plaintiff's motion to extend the deadline to file a joint interim
17 status report. Docket No. 35.¹ The motion indicates that discovery remains on-going and it would
18 be more appropriate to file the joint interim status report after the close of discovery. *Id.* at 2. The
19 status report at issue is an "interim" one, and is to be filed while discovery is on-going. *See, e.g.,*
20 Local Rule 26-3 (requiring that the "interim" status report be filed "[n]ot later than 60 days *before*
21 the discovery cut-off" (emphasis added)). The Court fails to discern special circumstances in this
22 case to depart from that established practice.

25

26
27 ¹ The deadline at issue has already expired. *See* Docket No. 32. As such, the motion is
28 actually seeking to revive that deadline and such relief requires an additional showing of excusable
neglect. *See, e.g.,* Local Rule 26-4. No explanation has been provided why the instant request
was not filed before the deadline expired.

1 As such, the motion to extend is **DENIED**. A joint interim status report shall be filed by
2 December 28, 2018.

3 IT IS SO ORDERED.
